

# Seek and find

Explore the many types of leaves found in the conservatory! See if you can find each type of leaf shown below. Put an 'X' in the box as you find each leaf type. Why are these leaves shaped the way they are?

## Huge with holes

Wind and water can pass right through my leaves without tearing them.

☐

## Funnel like

I collect water where critters can live.

☐

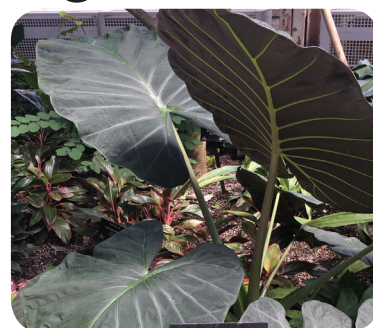

## Long & narrow

My leaves contain a sweet sap like "syrup".

☐

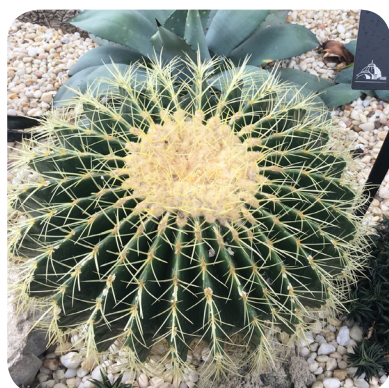

## Big & flat

My big leaves soak up lots of sun.

☐

## No leaves at all

I have spines to protect my water from animals.

☐

## Feather like

I have been around since the time of the dinosaurs.
