

Third annual Stuff a Truck

How many toys does it take to “Stuff a Truck?”

Local Michigan DNR conservation officers are currently collecting toys for their third annual Stuff a Truck!

Help conservation officers beat last year’s collection of 335 toys.

All of the toys collected at this location will be donated to Detroit children through the Detroit Police Department’s Sergeant Santa program. DPD and conservation officers will visit families to ensure Detroit children have toys to open on Christmas Day.

Conservation officers will be hosting Stuff a Truck curbside events:

DNR Outdoor Adventure Center, 1801 Atwater Street, Detroit

Friday, Nov. 26, 10:30 a.m.-3 p.m.

Saturday, Nov. 27, 10:30 a.m.-4 p.m.

Saturday, Dec. 4, 10:30 a.m.-4 p.m.

Donated toys should be new, in the original packaging and free from any wrapping or decorations.
